Description :

PDF-a4268 | The Matopo Hills, an area of rugged and majestic hills in Zimbabwe, contain a staggering number of prehistoric rock paintings. Eighteen years of fieldwork in this area has produced a stunning collection of rock art images, many previously unpublished and probably unique to the Matopo region. These rock paintings are a unique record of hunter-gatherer society and provide insights into the relations... *Legacy on the Rocks: The Prehistoric Hunter-gatherers of the Matopo Hills, Zimbabwe*
