by David McGriffy : **Make: Drones: Teach an Arduino to Fly**

ISBN : #1680451715 | Date : 2016-10-27

Description :

PDF-1933b | Make: Drones will help the widest possible audience understand how drones work by providing several DIY drone projects based on the world's most popular robot controller--the Arduino. The information imparted in this book will show Makers how to build better drones and be better drone pilots, and incidentally it will have applications in almost any robotics project. Why Arduino? Makers know Arduin... *Make: Drones: Teach an Arduino to Fly*
