Description :

PDF-a5911 | Belize (formerly British Honduras) is a residue of the British Empire and the last colony in the Americas. Like most colonies in this age of decolonisation Belize was willing to break the colonial ties and in fact achieved internal self-government in 1964. It is, however, deterred from taking its full independence by Guatemala's century-old claim to its territory, a claim famous in international l... *The Making of Modern Belize: Politics, Society and British Colonialism in Central America (Cambridge Commonwealth Series)*
