Description :

PDF-6c449 | Managing Historic Sites and Buildings looks at the choices and the tensions that exist in conservation and interpretation of the heritage. Preservation and presentation are central activities, arguably means and ends in the conservation of the historic environment. But are they self-reinforcing or do they work against each other? In a series of essays which span from prehistoric sacred site to Sec... *Managing Historic Sites and Buildings: Reconciling Presentation and Preservation (Issues in Heritage Management)*
