Description :

PDF-8d1dc | This book analyzes the relationship between the many and the few in the formation of a republican polity. It studies the case of Buenos Aires in the 1860s and 1870s, when the inauguration of a new national order in Argentina entailed a radical change in the ways of power. By exploring the different forms of participation of the people in the public life of the city, it illuminates a frequently neg... *The Many and the Few: Political Participation in Republican Buenos Aires*
