Description :

PDF-9e266 | Keith B. Bickel challenges a host of military and strategic theories that treat particular bureaucratic structures, large organizations, and elites as the progenitors of doctrine. This timely study of how the military draws lessons from interventions focuses on the overlooked role that mid-level combat officers play in creating military doctrine. Mars Learning closely evaluates Marine civil and mi... *Mars Learning: The Marine Corp's Development of Small Wars Doctrine, 1915-1940*
