Description :

PDF-ae459 | Microsoft's Access 95 is the most popular user and developer-level database tool in existence. The MCSD (Microsoft Certified Solutions Developer) test is very nearly as popular as the MCSE networking tests. Geared at identifying Access developers who have achieved a fairly high degree of knowledge about this product, the Certification Exam is a must for consultants and developers seeking to increa... *MCSD: Access 95 Study Guide*
