Description :

PDF-9313f | The world today is drowning in data. There is a treasure trove of valuable and underutilized insights that can be gleaned from information companies and people leave behind on the internet - our 'digital breadcrumbs' - from job postings, to online news, social media, online ad spend and more. As a result, we're at the cusp of a major shift in the way businesses are managed and governed - moving fr... *Outside Insight: Navigating a World Drowning in External Data*
