Description :

PDF-58319 | The term person centred care has been widely used, misused and ill defined. It is used frequently in the aims and objectives for dementia care services and provision, although in practice what lies behind the rhetoric can be questionable. This book gives fresh definition to the important ideas behind and the implementation of person centred care for people with dementia. Dawn Brooker explains the f... *Person-Centred Dementia Care: Making Services Better (University of Bradford Dementia Good Practice Guides)*
