Description :

PDF-fae4 | A healthy life depends on a healthy start to life Over the last few years there has been exciting progress in our understanding of what creates a healthy start to life. We now know that many aspects of embryonic, fetal, and infant development are affected by somewhat subtle aspects of parental health and behaviour. In this way, health—or conversely the risk of disease—is passed from one gener... *Pregnancy and Breastfeeding: Nutrition and Lifestyle for Pregnancy and Breastfeeding*
