ISBN : #0631176896 | Date : 1993-06-14

Description :

PDF-1fce3 | This textbook is an innovative introduction to research methods in psychology and the social sciences. Whereas traditional texts deal with laboratory-based experimentation, this book is a guide to carrying out research in the "real-world" which is often more complex and difficult to control than the laboratory, but where an increasing number of students and researchers are required to work.... *Real World Research: a Resource for Social Scientists and Practitioner-Researchers*
