Description :

PDF-62bd5 | The Thames is justifiably known as "London's river." It flows through the heart of the capital and has played a pivotal role in the city's expansion and success. The river's bridges are among London's most iconic features, and many other major landmarks (the Houses of Parliament and the Tower of London, to name but two) lie beside it. Throughout the city, numerous other historic sites and ... *River Thames: From Source to Sea*
