Description :

PDF-ca4ae | Until the modern period the integration of church (or other religion) and state (or political life) had been taken for granted. The political order was always tied to an official religion in Christian Europe, pre-Christian Europe, and in the Arabic world. But from the eighteenth century onwards, some European states began to set up their political order on a different basis. Not religion, but the ... *Secularism: Politics, Religion, and Freedom (Very Short Introductions)*
