Description :

PDF-5b87a | Gin, distinctive for its combination of juniper berries and botanicals such as coriander and angelica, continues to be a main player in the modern cocktail bar, in both classic and modern guises. The recent growth in micro-distilleries and fashionable gin bars has made a significant impact on its profile as a drink with a contemporary vibe. There is even a World Gin Day, the second Saturday in Jun... *The Bartender's Guide to Gin*
