ISBN : #1138573302 | Date : 2017-10-12

Description :

PDF-efec5 | Bringing together ten utopian works that mark important points in the history and an evolution in social and political philosophies, this book not only reflects on the texts and their political philosophy and implications, but also, their architecture and how that architecture informs the political philosophy or social agenda that the author intended. Each of the ten authors expressed their theory... *Unbuilt Utopian Cities 1460 to 1900: Reconstructing their Architecture and Political Philosophy*
