Description :

PDF-7c321 | Debs was hardly a person you'd expect to do triathlons - at 41, borderline obese and diabetic she really should have considered a more appropriate mid life crisis. However, despite her failings and lack of any form of sporting prowess she decided "what the hell" and gave it a shot. Living proof that if she could train for a triathlon anyone can. This Novelette follows the first part of her remark... *The Unlikely Triathlete: The bizarre journey of a podgy middle aged diabetic*
