Description :

PDF-c0549 | Originally published separately, Weber's "Science as a Vocation" and "Politics as a Vocation" stand as the classic formulations of his positions on two related subjects that go to the heart of his thought: the nature and status of science and its claims to authority; and the nature and status of political claims and the ultimate justification for such claims. Together in this volume, these new... *The Vocation Lectures (Hackett Classics)*
