ISBN : #1484633539 | Date : 2016-08-01

Description :

PDF-363dd | This fascinating book looks at how grains are produced, taking the rice we eat as an example. It shows us how rice is planted, grown then harvested, and how it is then shipped to grocery stores or stores to land on our tables. It highlights that not all food is local, often coming from very far away.... *Where Do Grains Come From? (From Farm to Fork: Where Does My Food Come From?)*
